**Subject:** RE: All Parties Meeting on Tower Standard

Hello Sherry, I apologize for the delay I getting back to you. I have had an opportunity to discuss the 19<sup>th</sup> meeting date with the Kozak's and unfortunately they have prior commitments and cannot meet on the 19<sup>th</sup>. REI personnel (myself and my direct supervisor - Ken Lassa) should be able to make the meeting on the 19<sup>th</sup>.

In my discussions with Linda Kozak I was told that Bob Egan was in discussion with her about access to their property. Linda had asked for assurances from Bob (EPA) that they would not be held financially responsible for any of the proposed work scheduled for next week. I had also mentioned that Kozaks do have private buried utilities on their property and they should be located prior to initiating any boring activities.

If you have any questions or concerns, please do not hesitate in contacting me at your earliest convenience.

Thank you,

David N. Larsen P.G

Hydrogeologist / Professional Geologist

**Subject:** All Parties Meeting on Tower Standard

Dave,

Is there a chance that you can participate in an All Parties meeting to discuss Tower Standard. It would be a meeting of DNR, EPA, tribe, you and the Kozaks (if they can attend)

April 19<sup>th</sup> is a date that works for most people.

Sherry A. Kamke
